

Residential Lots for Sale in Sealy, TX

Two adjacent lots for sale in Sealy's best historic neighborhood. Lots are located on Ward Street between 6th and 7th Streets. Each lot has 52.5 feet of frontage on Ward Street and is 140 feet deep. An alley runs behind the lots so it is simple to construct rear entry garages. There is a house on one of the lots that will be moved prior to closing.

There are live oak and pecan trees. The lots are in a great location in a quiet neighborhood with many restored historic homes near churches and the Levine Park. Each lot is \$55,000. Contact Nancy Naron at 832-492-4244 or by email at nnaron@gmail.com for more information.
